The "Italian Job", Obama's back up plan to take out Trump with help of corrupt FBI. Let's meet some of the key players. Obama, Matteo Renzi the Italian Prime Minister, Hillary, Comey, Mueller, Anthony Ferrante, Jordan Kelly, Ron Yearwood.

Obama works out deal with italy to use their people/ connections to hack servers in US, plant stolen State Dept Hillary emails. FBI "finds" them charges Trump. Trump is removed.

Under Obama direct orders, Comey/Mueller order FBI hackers, each already dirty as hell, to hack State Dept servers, conceal that, plant those on servers in US, covering those tracks, but leaving tracks that point to Trump. Ferrante, his on/off girlfriend Jordan Kelly, and Ron

Yearwood were the FBI "hacking experts" who attempted to make it work. This all bumps up on the FBI"private intelligence network".
They had people in white House, State Dept, cia, all spying on their political enemies and reporting back.

Matthew Ball @ballmatthew · Dec 3
2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

To Rod, Brennan, Comey, Mueller, Holder, Lynch, McCabe, Page, Strzok, and many others. My dearest friends, remember all those debriefings? Those tasking meetings? How bout when you threatened me and my family to betray Trump? Remember the intrusive strip searches and pat downs

because you knew my specialty was documenting in difficult scenarios? Do you remember how lax you got? How I would unplug and hand you my tiny digital recorder and you would

Let's talk about James Comey, that tall drink of stupid. Many people are upset the DOJ declined to prosecute him for "leaking" classified "memos" to his attorneys and others. It's a gray area, he wrote those memos as director and they weren't classified then, only later by

someone else. A smart move by Barr not to prosecute ESPECIALLY when Trump/Barr knew this. Here are SOME of the people involved. There are more people involved now but after Jordan Kelly was outed I received a call from my

Why not, I'm sick of these bastards. FBI DOJ politicians etc, all have gov pensions. But the top levels have private investments, often in their children's name, and those account brokers always get a heads up before a FF or major "catastrophe" like 9/11, recent very selective

House fires in California, think insurance companies, so the stocks can be manipulated accordingly for maximum profit. Every time. Either they are psychic or they know it's coming. For over 10 years this river of illegal and immoral

CLICK HERE FOR COMMON CODING! Q has said the following: "It's always been out in the open." "Symbolism will be their downfall." "Symbolism = END" Why end? Because the elites use a language of symbolism: colours, poses, mythos, etc to hide from you in plain sight #Qanon

It's the end because when people learn this language we win. It's like this clip from They Live (We Sleep) To see the world like this requires learning hundreds of symbols. An entirely new language, and thinking in a new way, it's not easy!

1/ Whenever I ask for evidence of Trump-Russia collusion, I get this circular-reasoning response: How do you know that there was no collusion? My answer: I'm NOT claiming there was no collusion, but I see #ZEROEvidence that Trump colluded. SHOW me your EVIDENCE!

2/ If I were to claim that you murdered someone, I would need to provide evidence of this. My claim does not make it have some sort of merit. If you insist you did not do this and want me to stop pushing such as accusation in public b/c it
